To Whom it May Concern - Testimonial for Michelle Ray

Michelle Ray was engaged as our keynote speaker for our annual 'Main Event', attended by city employees. Her keynote, *Leadership: It Starts With Me*, was experienced and enjoyed by over 500 city staff. Her presentation was highly interactive, fun, informative and inspiring, which met our event objectives. As the event committee chair, I can honestly say that the day ran very smoothly, with a big thanks to Michelle.
