Dear Michelle;

Re: Half Day Communications Seminar & Keynote Speech

Thank you for your dynamic presentation at our Judicial Administrative Assistants' Conference last week. You took the time to learn about our group in advance and to customize the material and this made all the difference. We laughed, we cried, we learned and you left us wanting more. The feedback has been overwhelmingly positive and I would highly recommend you to anyone looking for a high energy presentation that will leave participants with skills that can be utilized not only at work, but in their personal lives as well.

Thank you again Michelle and should the opportunity arise to bring you back for another event, I would not hesitate for a split second.

Yours truly,
