## Testimonial for Michelle Ray

June 7, 2017

When we first invited Michelle Ray to do a luncheon keynote presentation in 2015, she was very well-received by the audience, so we decided to bring her back again this year.

Michelle did a wonderful job closing off our 2-day conference on a high note. We appreciated the fact that she went above and beyond to create a powerful, and customized closing presentation "*Leadership: It Starts and Ends With Me*", by immersing herself in the process of meeting with our Executive Team, and spending time in our restaurants.

I would highly recommend Michelle to any organization. She will exceed your expectations.

Yours truly,

Warren Erhart
