**Re: Keynote session**

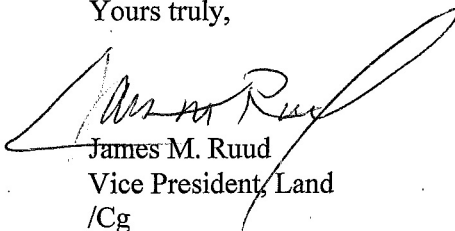

---

Thank you so much for your powerful and dynamic keynote on May 20, 2010.

You have a wonderful ability to connect with your audience in a way that holds their attention throughout the keynote presentation. Your unique style, interesting vocabulary and humor all aid in delivering a very powerful message – one of personal leadership where we are each responsible for the attitudes in the workplace and that we all have the ability to control our environment.

Very well done and thank you again. I look forward to future opportunities to work with you.

Yours truly,

James M. Ruud
